Re: *Jason Boyce v. Bruce Weber, et al., 1:19-cv-3825 (JMF)*

Dear Judge Furman:

The parties respectfully jointly submit this letter to update the Court in advance of the July 28, 2021 conference.

The parties have made great progress towards a resolution of the claims. We had hoped to be in a position to advise the Court that we reached an agreement on material terms, subject to final documentation, prior to the July 28 status conference. We believe that we will have such an agreement, if not before July 28, then within a week afterwards.

As the status conference is only a few business days away, the parties jointly believe it is appropriate and prudent to provide this update in advance of the conference.

In light of the parties' joint letter at ECF No. 181, the conference currently scheduled for July 28, 2021, is hereby **RESCHEDULED to August 5, 2021, at 9:15 a.m.** The parties should follow the pre-conference procedures and use the call-in information listed at ECF No. 158. The Clerk of Court is directed to terminate ECF No. 181. **SO ORDERED.**

Respectfully submitted,

/s/ Jonathan Etra
